

## **Kirk Michael Railway Line - A Bridge Too Far?**

**Freedom of Information Response 25<sup>th</sup> April 2022**

The cost of restoring the old steam railway line bridges in Kirk Michael has risen by £400,000.00 to a projected £1.7 million.

*An acceptable inflationary rise or would you rather see £1.7 million spent another way?*

*See our Freedom of Information page for full details*
