

**Pink Floyd: "Another brick in the wall"**

## **Quarter of all employees work for IOM Government**

Recent Freedom of Information responses reveal that 310 persons work for Isle of Man Post and 395 persons are employed by Manx Utilities.

A previous FOI response dated 20<sup>th</sup> April 2022 revealed that 8,380 persons were employed by Isle of Man Government (excluding Post Office, Manx Utilities and local authorities).

Taking into account persons employed by local authorities, the 2021 Isle of Man Census reveals that a total of 9,934 persons were employed in the Public Sector.

This means that nearly a quarter (**23.6%**) of all employees on the Isle of Man are Public Sector workers.
